

Travel from SeaTac Airport in Seattle to the Naval Undersea Museum in Keyport or the Poulsbo Inn in Poulsbo.

I'm renting a car. How do I get to the Poulsbo Inn or the museum from the airport?

If you are renting a car, will you consider giving several of your fellow HNSA members a ride? The museum will arrange carpooling for those who have rides and those who need them.

- If you have a car and are willing to take a few people with you, please contact Barbara Moe (phone 360 396-4148 ext 232 or e-mail bmoe@kpt.nuwc.navy.mil) and give her your name, flight number and arrival time. If you would like a ride, call Barbara with the same information.

If you rent a car at the airport, you have two routes to Keyport and Poulsbo:

- Take the ferry. Drive to the ferry terminal (Coleman Dock) in downtown Seattle and take the ferry to Bainbridge Island. It's a beautiful scenic cruise that takes about 35 minutes. Car & driver cost \$12. Each additional passenger costs \$5.40. It's a lot more fun to take the ferry than it is to drive around Puget Sound. Then take State Highway 305 (you're on it as soon as you drive off the ferry) straight to Poulsbo. The Poulsbo Inn will be on your right 11 miles down the road and will take approximately 20 minutes.
- Drive around Puget Sound. Leave the airport and get on Interstate 5-South toward Tacoma and Portland. After you pass the Tacoma Dome (about 30 miles), take the right exit onto Highway 16-West for Bremerton and Gig Harbor. Continue over the Tacoma Narrows Bridge onto the Olympic Peninsula. About 25 miles later after passing the exits for Port Orchard, you will come down a hill and see lots of saltwater. The highway circles the bay and becomes Highway 3-North. About this time you'll see the decommissioned ships at Puget Sound Naval Shipyard. Avoid your impulse to turn right to see them. Continue north on Highway 3 past the Bremerton and Silverdale exits. The museum exit (onto Highway 308) is marked with a large brown highway sign that says Naval Undersea Museum; you'll also see a sign for Naval Undersea Warfare Center. If you want to go on to Poulsbo, stay on Highway 3. Take the Highway 305 exit to Poulsbo, Bainbridge Island, and Kingston. Highway 305 goes past the Poulsbo Inn which will be on your left.

I'm not renting a car. How do I get to the Poulsbo Inn from the airport?

- We will arrange for a commercial shuttle service to pick up groups of people arriving at about the same time. Price of the trip varies with the number of passengers but should be about \$25. If you are not arriving at the same time as a group of people, we can still arrange shuttle transportation, but it will be more expensive.
- Please contact Barbara Moe (phone 360 396-4148 ext 232 or e-mail bmoe@kpt.nuwc.navy.mil), and give her your name, flight number and arrival time. She will attempt to match your arrival time with those of HSNA members who are renting a car or with the commercial shuttle we will schedule depending on demand and arrival times. If you are bringing your cell phone, please provide that information as well.

I'm not renting a car. How do I get to and from the Museum during the Conference?

- Chan and Jeff are renting a 12-passenger van. Please let Barbara Moe know if you need a ride or if you will be providing a carpool vehicle.
